PROJECT MANAGEMENT SEMINAR

TAME THE CHAOS:

Is every day a whirlwind of emergencies? Are client calls running your schedule? Do meetings leave you more frustrated than informed? Take Charge and Transform Your Projects!

AWI AND THE **CENTRAL PA AND NEW JERSEY CHAPTERS** PRESENT THE **PROJECT MANAGEMENT EDUCATION OUTREACH SEMINAR.**

Project management shouldn't be a daily battle. Discover powerful tools to achieve harmony between Contractors, Architects, Resources, and Manpower.

GET READY TO:

- Engage with industry experts
- Gain valuable insights
- Connect with like-minded individuals

In this interactive session, you will learn from industry experts as well as your peers in the room through exercises and activities.

PRESENTERS:

Dustin Hecht

Craig Johnson

Michael Shanafelt

TOPICS COVERED:

- Handoff
- Time management
- Project award documents
- Planning & Scheduling
- Outsourcing
- Shop drawings and submittals
- Costing & Production
- Delivery
- Cash flow
- Communication
